Fire Pit Rule

9/27/2018

After reviewing local codes and insurance regulations the Association will allow the use of fire pits as follows:

Fire pits shall not be placed on or under any deck, porch or awning, and shall not be placed any closer than 12 feet vertically and horizontally of any building, including decks, deck structure, overhead branches and duplex patio dividers, regardless of fuel source.

In addition, wood burning fire pits/chiminea's etc. will be used in accordance with the permit requirements of the Laconia Fire Department.
